

**Hanover Area School  
District Athletic  
Department  
2020-2021 Athletics Health & Safety Plan**

The guidance is preliminary; as more public health information is available, the administration may work with impacted entities to release further guidance which could impact Fall, Winter or Spring seasons.

## **INTRODUCTION**

The COVID-19 pandemic has presented athletics across the world with a myriad of challenges. The COVID-19 virus is a highly contagious illness that primarily attacks the upper respiratory system. The virus that causes COVID-19 can infect people of all ages. Research from the Centers for Disease Control, among others, has found that while children do get infected by COVID-19, relatively few children with COVID-19 are hospitalized. However, some severe outcomes have been reported in children, and a child with a mild or even asymptomatic case of COVID-19 can spread the infection to others who may be far more vulnerable. While it is not possible to eliminate all risk of furthering the spread of COVID-19, the current science suggests there are many steps schools can take to reduce the risks to students, coaches and their families.

The Hanover Area School District will take the necessary precautions and recommendations from the federal, state and local governments, CDC, PADOH, as well as the NFHS and PIAA. The Hanover Area School District realizes the knowledge regarding COVID-19 is constantly changing as new information and treatments become available. These recommendations will be adjusted, as needed, as new information becomes available, in order to decrease the risk of exposure for our staff, students and spectators.

## **RECOMMENDATIONS**

Recommendations for **ALL LEVELS** for Junior and Senior High Athletics:

1. Athletes, Coaches and Staff will undergo a COVID-19 health screening prior to any practice, event, or team meeting. The type of screening will be dependent upon the available resources and the Phase level. The purpose is to check for signs and symptoms of COVID-19. The screenings could range from a verbal/written questionnaire to a temperature check. Temperatures of 100.4 or higher will be sent home.
2. Promote healthy hygiene practices, such as, hand washing (20 seconds with warm water and soap) and employees wearing a cloth face covering as feasible. (Face coverings are recommended to help decrease potential exposure to COVID-19 respiratory droplets by an infected individual. Face Coverings will not be used for athletes while practicing or competing.) Hand Sanitizer will be available for team use as resources allow.
3. Intensify cleaning, disinfection, and ventilation in all facilities
4. Encourage social distancing through increased spacing, small groups, and limited mixing between groups, if feasible.
5. Educate Athletes, Coaches and Staff on health and safety protocols
6. Anyone who is sick must stay home
7. Plan in place if a student or employee gets sick
8. Regularly communicate and monitor developments with local authorities, employees and families regarding cases, exposures and updates to policies and procedures
9. Athletes and Coaches MUST provide their own water bottle for hydration. Water bottles must not be shared.
10. PPE (gloves, masks, eye protection) will be used as needed and situations warrant, or determined by local/state governments.
11. Identify Staff and students who may be at a higher risk of severe illness from COVID-19 due to underlying medical conditions. (See - CDC "People Who are at a Higher Risk for Severe Illness")
12. Concession stands or other food must adhere to the Guidance for Businesses in the Restaurant Industry.

### **1. CLASSIFICATION OF SPORTS**

**High Risk:** Sports that involve close, sustained contact between participants, lack of significant protective barriers, and a high probability that respiratory particles will be transmitted between participants. Examples: football, wrestling, cheerleading (stunts), dance.

**Moderate Risk:** Sports that involve close, sustained contact, but with protective equipment in place that may reduce the likelihood of respiratory particle transmission between participants OR intermittent close contact OR group sports that use equipment that cannot be cleaned between participants.

Examples: basketball, volleyball, baseball, softball, soccer, ice hockey, tennis, pole vault, high jump, long jump 7 on 7 football

**Low Risk:** Sports that can be done with social distancing or individually with no sharing of equipment or the ability to clean the equipment between uses by competitors.

Examples: running events, cross country, throwing events, swimming, golf, weightlifting, sideline cheer

\*\*High/Moderate Risk Sports may move to a Low risk category with non-contact modifications. Team Activities should be limited to individual skill development drills that maintain social distancing.

## LEVELS OF PARTICIPATION

### Level 1 (PA State Red)

Team Activities: No in-person gatherings allowed. Athletes and Coaches may communicate via online meetings (zoom, google meet, etc). Athletes may participate in individual home workouts including strength and conditioning.

- All school facilities remain closed as per PA State Guidelines
- Athletes and Coaches should abide by guidelines set forth by the local and state governments.

### Level 2 (PA State Yellow or Green - once permitted by PIAA)

Team Activities may include: team meetings, open gym, kick around, weight training/conditioning, running events, cross country, throwing events, swimming, golf and sideline cheer, etc.

#### Pre-workout Screening:

- All coaches and students should be screened for signs/symptoms of COVID-19 prior to a workout. The screenings could range from a verbal/written questionnaire to a Temperature check. (See Appendix for COVID-19 Screening Form).
- Responses to screening questions for each person should be recorded and stored to that there is a record of everyone present, in case a student develops COVID-19
- Any person with positive symptoms reported should not be allowed to take part in workouts and should contact his or her primary care provider or other appropriate healthcare professional. A clearance may be required to return to play.

#### Limitations on gatherings:

- No gathering of more than (25 Yellow - 250 Green) individuals per group including coaches per practice area.
- Controlled non-contact practices only, modified game rules
- Social Distancing should be applied during practices and in locker rooms and gathering areas.

#### Facilities Cleaning:

- Adequate cleaning schedules should be created and implemented for all athletic facilities to mitigate any communicable disease
- Athletic Facilities should be cleaned prior to arrival and post workouts and team gatherings, high touch areas should be cleaned more often
  - Weight Room Equipment should be wiped down after an individual's use
- Appropriate clothing/shoes should be worn at all times in the weight room to minimize sweat from transmitting onto equipment surfaces.

#### Physical Activity:

- Lower risk sports practices may begin
- Modified practices may begin for Moderate and High risk sports (practices must remain non-contact and include social distancing where applicable, activity should focus on individual skill development)
- Students should refrain from sharing clothing/towels and should be washed after each

practice, including pinnies

- Athletic equipment that may be used by multiple individuals (balls, shields, tackling dummies, shot put, discus, pole vault, etc.) should be cleaned intermittently during practice and events as deemed necessary
- Hand Sanitizer should be used periodically as resources allow
- Spotters for maximum weight lifts should be stationed at each end of the bar

**Hydration:**

- Students MUST bring their own water bottle. Water bottles must not be shared.
- Hydration stations (water coolers, water fountains, water cows, water troughs, etc.) should not be utilized

**Level 3 (PA State Green - once permitted by PIAA)**

Team activities may include: Basketball, volleyball, baseball, softball, soccer, ice hockey, tennis, pole vault, high jump, long jump 7 on 7 football, etc.

**Pre-workout/Contest Screening:**

- Any person who has COVID-19 symptoms should not be allowed to participate in practice/games, and should contact their primary care physician or another appropriate health-care provider. A clearance may be required to return to play.
- COVID-19 Screenings (Questionnaire and Temperature Checks may continue as per State and Local government recommendations)
- Team attendance should be recorded

**Limitations on Gatherings:**

- As per State and Local Guidelines
- When not directly participating in practices or contests, social distancing should be considered and applied when able

**Facilities Cleaning:**

- Adequate cleaning schedules should be created and implemented for all athletic facilities to mitigate any communicable disease
- Athletic Facilities should be cleaned prior to arrival and post workouts and team gatherings, high touch areas should be cleaned more often
- Weight Room Equipment should be wiped down after an individual's use
- Appropriate clothing/shoes should be worn at all times in the weight room to minimize sweat from transmitting onto equipment surfaces

**Physical Activity and Athletic Equipment:**

- Low, Moderate, and High Risk practices and Low and Moderate Risk competitions may begin (As per State, Local and PIAA Guidelines)
- Students should refrain from sharing clothing/towels and should be washed after each practice, including pinnies.
- Athletic equipment that may be used by multiple individuals (balls, shields, tackling dummies, shot put, discus, pole vault, etc.) should be cleaned intermittently during practice and events as deemed necessary
- Hand Sanitizer should be used periodically as resources allow
- Spotters for maximum weight lifts should be stationed at each end of the bar

**Hydration:**

- Students MUST bring their own water bottle. Water bottles must not be shared.
- Hydration Stations may be used but MUST be cleaned after every practice/event.

**Level 4 (PA State Green - once permitted by PIAA)**

Team Activities include: Low/Moderate Sports may resume. High Risk Sports (Football, Wrestling and Cheerleading Stunting) may begin full person to person contact and competition.

**Pre-workout/Contest Screening:**

- Any person who has COVID-19 symptoms should not be allowed to participate in practice/games, and should contact their primary care physician or another appropriate health-care

provider.

- COVID-19 Screenings (Questionnaire and Temperature Checks may continue as per State and Local government recommendations)
- Team attendance should be recorded

#### **Limitations on Gatherings:**

- As per State and Local Guidelines
- When not directly participating in practices or contests, social distancing should be considered and applied when able

#### **Facilities Cleaning:**

- Adequate cleaning schedules should be created and implemented for all athletic facilities to mitigate any communicable disease
- Athletic Facilities should be cleaned prior to arrival and post workouts and team gatherings, high touch areas should be cleaned more often
- Weight Room Equipment should be wiped down after an individual's use
- Appropriate clothing/shoes should be worn at all times in the weight room to minimize sweat from transmitting onto equipment surfaces

#### **Physical Activity and Athletic Equipment:**

- All sports may resume normal practice and competition
- Students should refrain from sharing clothing/towels and should be washed after each practice, including pinnies.
- Athletic equipment that may be used by multiple individual (balls, shields, tackling dummies, shot put, discus, pole vault, etc.) should be cleaned intermittently during practice and events as deemed necessary
- Hand Sanitizer should be used periodically as resources allow
- Spotters for maximum weight lifts should be stations at each end of the bar

#### **Hydration:**

- Students MUST bring their own water bottle. Water bottles must not be shared.
- Hydration Stations may be used but MUST be cleaned after every practice/event.

### **OTHER RECOMMENDATIONS**

#### **Transportation:**

Modifications for student/coach transportation to and from athletic events may be necessary. This may include:

- Reducing the number of students/coaches on a bus/van
- Using hand sanitizer upon boarding a bus/van
- Social Distancing on a bus

These potential modifications will be determined by the school district, bus companies, Department of Education, State and Local governments.

#### **Social Distancing during Contests/Events/Activities**

- Sidelines/Bench - appropriate social distancing will need to be maintained on sidelines/bench during contests and events, as deemed necessary by the school, PIAA, state and local governments. Consider using tape or paint as a guide for students and coaches.

#### **Who should be allowed at events?**

Group people into tiers from essential to non-essential and decide which will be allowed at an event:

1. Tier 1 (Essential) - Athletes, coaches, officials, event staff, medical staff, security
2. Tier 2 (Preferred) - Media
3. Tier 3 (Non-essential) - Spectators, vendors

- Only Tier 1 and 2 personnel will be allowed to attend events until state/local government list restrictions on mass gatherings.
- Changes to seating capacity and social distancing may be necessary for each venue facility and will be determined as more recommendations are released by the local/state

government

#### **Overnight/Out of State Events/Events in COVID-19 Hot Spots**

- The Hanover Area School District will evaluate each event and follow all local/state government guidelines on a case by case basis. Every consideration will be taken as to not expose students to unnecessary or potential high risk exposure.

#### **POSITIVE CASES AND COACHES, STAFF, OR ATHLETES SHOWING COVID-19 SYMPTOMS**

##### **What are the signs and symptoms of COVID-19?**

Symptoms may appear 2-14 days after exposure to the virus. The symptoms may range from mild to severe. (See CDC Fact Sheet in Appendix). Symptoms may include:

- Fever or chills (100.4 or higher)
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

##### **What to do if you are sick?**

- If you are sick with COVID-19 or think you are infected with the virus, STAY AT HOME. It is essential that you take steps to help prevent the disease from spreading to people in your home or community. If you think you have been exposed to COVID-19 and develop a fever and symptoms, call your health care provider for medical advice.
- Notify the school immediately (principal, athletic director, athletic trainer, coach)
- It will be determined if others who may have been exposed (students, coaches, staff) need to be notified, isolated and/or monitored for symptoms
- If a Positive case of COVID-19 is diagnosed, Contact Tracing will be implemented with the assistance of local health professionals and the CDC/PADOH. See information in Appendix.

##### **What to do if a student or staff become ill with COVID-19 symptoms during practice, event or during transportation to or from an event?**

- Every effort will be made to isolate the ill individual from others, until the student or staff member can leave the school or event
- If a student, parent/guardian will be contacted immediately, and arrangements will be made for the student to be picked up
- Ill individual will be asked to contact their physician or appropriate healthcare provider for direction

##### **Return of student or staff to athletics following a COVID-19 diagnosis?**

- Student or staff should have medical clearance from their physician or appropriate healthcare professional, determined to be non-contagious,
- Fever free (without fever-reducing medicine), improvement in respiratory symptoms (cough, shortness of breath), no vomiting or diarrhea

#### **EDUCATION**

Staff, Coaches, Parents and Athletes will be educated on the following (through posters, flyers, meetings, emails, phone calls):

- COVID-19 signs and symptoms
- Proper ways to limit exposure to COVID-19 (hand washing, cough in your elbow, disinfecting touched surfaces, social distancing, avoid touching eyes, nose, face and mouth, not spitting, gum chewing, etc.)
- No Handshakes/Celebrations (high fives, fist/elbow bumps, chest bumps, hugging), etc.
- The content of this Return to Sport Guidelines Document
- Any pertinent COVID-19 information released by state/local governments, NFHS, and PIM
- Students should come dressed for activity
- Limit indoor activities and the areas used. Locker room use is not permitted. Facility showers

cannot be used.

- Student Athletes should remain with their assigned groups during each workout and during daily workouts to limit the number of people with whom they come in contact.
- No students allowed in training areas without the presence of an Athletic Trainer

Hanover Area School District

Indoor/Outdoor Facility Use (Until further notice)

Weight Room (max 15), Alternate Weight Room (max 10), Wrestling Room (30 max), and Gymnasium  
(250 max)

Schedule though Athletic Director

Team workouts inside at the High School will be Monday through Thursday from 8:00am -1:00pm beginning Wednesday, July 1st. Athletes will enter through the student parking lot entrance. Indoor athletic facilities will be sanitized between 1:00pm and 2:00pm.

1. All athletes MUST turn in an Athletic Safety Plan Waiver form prior to their first workout.
2. Anyone who is sick MUST STAY HOME. If sick STAY HOME!
3. Athletes will arrive wearing face coverings.
4. Prior to each Team Workout Everyone Must go through a screening including temperature taking.

Anything at or above 100.4 will be sent home prior to practice, event, workout, team meeting, ect.

Parents/guardians and the athletic director must be contacted immediately.

5. Promote healthy hygiene practices such as hand washing (20 seconds with warm water and soap) and face coverings (bring own mask) are recommended when not working out. Face coverings will not be used for athletes while practicing or competing. Hand sanitizer will be available for team use

as resources allow. PPE (gloves, masks, eye protection) will be used as needed and situation warrants. Athletes will take their entire equipment home daily and have it washed before returning to workouts. No handshakes, celebrations, high fives, fist/elbow bumps, chest bumps, ect. Other reminders to limit exposure include coughing in your elbow, avoid touching eyes, nose, face and mouth, no spitting, gum chewing, ect.).

6. Encourage social distancing, small groups, and limiting mixing between groups. Student athletes should remain with their assigned groups during each workout to limit the number of people they come in contact with. Coaches will be provided with sprayers to disinfect equipment.
7. No use of Locker Room (no showers), except for bathrooms located near the weight room. No roaming the hallways inside. Stay in designated area. Temporary bathrooms will be provided at the stadiums but no use of the lockers, showers, or restrooms.
8. Everyone must bring their own water bottle(s) already filled. No use of water fountains or common containers. If you drink a lot...bring a lot!
9. Shorts, T-shirts, sneakers and cleats/spikes if you have them.
